ARC919970008US2

I hereby declare that:

Each inventor's residence, mailing address and citizenship are stated below next to their name.

I believe the inventors named below to be the original and first inventor(s) of the subject matter which is described and claimed in patent number 6,112,202, granted August 29, 2000and for which a reissue patent is sought on the invention entitled Method and System for Identifying
Authoritative Information Resources in an Environment with Content-based Links Between Information Resources

the specification of which

☐ is attached hereto.☒ was filed on January 8, 2002 as reissue application number 10/042,093
and was amended on December 9, 2004
(If applicable)

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

☐ I hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or (f), or 365(b). Attached is form PTO/SB/02B (or equivalent) listing the foreign applications.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)

☐ by reason of a defective specification or drawing.☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.☐ by reason of other errors.

At least one error upon which reissue is based is described below. If the reissue is a broadening reissue, such must be stated with an explanation as to the nature of the broadening:

The patentee claimed less than he had a right to claim and now amends claims 1-3, 5-6, 17, 20-25, 28-31, 36-41, 43-44 and 55, and adds new claims 58-73, which are based at least on column 4, lines 43-65.

Every error in the patent which was corrected in the present reissue application, and is not covered by a prior oath/declaration submitted in this application, arose without any deceptive intention on the part of applicant.
